BLUE TRAIL

"The Blue Trail", is a breathtaking cinematic odyssey that follows the misadventures of a remarkable Brazilian woman who secretly sets out on a trip down the Amazon to fulfil a long-held dream.

"Lovely. A striking work of speculative cinema. A whimsical, tender but also serious film about resistance and finding a joyful path of one's own later in life".

Jason Di Rossi, *ABC Radio National*

"A cross between road movie and sci-fi, this is a subversive and bittersweet movie about a 77 year old woman who refuses to be shipped off to a colony".

Peter Bradshaw, *The Guardian*
