SUNDAYS

"Sundays" is a quiet, spellbinding film that deftly captures the rupture within a family after a young woman defies expectations with her chosen vocation, forcing those closest to her to contemplate how they will move forward.

"A quiet surprise. The acting and the script are top notch, managing a nice balance between suspense and the more philosophically-challenging ideas that the film circles around".

SILENT FRIEND

Set in the university town of Marburg, Germany, this contemplative film follows three loosely connected stories unfolding across 1908, 1972, and 2020.

All three stories revolve around the same ancient ginkgo tree in the Marburg Botanical Gardens.

"Silent Friend" is a beautiful, elusive film peppered with provocative nuggets about the nature of life and our place in it".
